

## DECLARATION OF CONFORMITY

The undersigned, representing the  
**Brenstol LLC**  
herewith declares that the

### Solid wood flooring and cladding

Characteristic	Performance declaration
Species	White Ash ( <i>Fraxinus</i> )
Intended use	For internal and/or external use
Density and range of thickness	670, 21/6-26
Reaction to fire	D-s2, d2 & D-s2, d0
Emmission of formaldehyde	E1
Water vapour permeability	88 $\mu$
Thermal resistance	0,16 W/m K
Sound absorption	250 Hz to 500 Hz = 0,10; 1000 Hz to 2000 Hz = 0,30
Biological durability	Thermo-Ash <b>Class 1</b> when thermally modified (Thermo D, Thermo S) (according to CEN/TS 15083-1:2005)

is in conformity with the provisions of the EC Directive 93/68/ECC when intended to be used for solid wood panelling and cladding, and that Annex ZA of

**EN 14915.2006**  
has been applied.
